The Inn on Fifth is currently expanding to a brand new building across the street from its current landmark structure. The new building will offer an additional 750-square-foot boardroom, as well as 32 Club Level Suites offering attendees an incredible array of added luxuries. Ranging from 550 to 900 square feet, the Suites will feature large balconies, a separate check-in, private rooftop hot tub and sunbathing area, as well as breakfast, afternoon tea, and evening cocktails and appetizers. The expansion is expected to be completed by November 2012.

In the tradition of McCabe's Irish Pub & Grill – the Inn's signature restaurant – themed parties with Irish beers, Reubens, and Corned Beef and Cabbage provide a unique and spirited option. Other themes include Mardi Gras, complete with a Dixieland band, and a Fiesta featuring mariachi music and Mexican munchies.

Take advantage of the Inn's extravagant on-site catering service, providing meeting planners with an array of culinary options, from continental breakfast to buffet. Entice guests with a pinwheel of chicken, Prosciutto, Spinach and mushrooms, or refresh attendees with a Naples Break, which includes Taboli, Hummus, Kalamata Olive Tappenada, Pita Triangles and more. Enjoy the meals as prepared, or personalize the selections to create a unique culinary experience. The Inn on Fifth recently enhanced the hotel's catering services by offering groups new and exciting themes, as well as providing a menu with an international flare. The property has begun offering meetings and special events new items, which include an authentic English tea service, an extraordinary brunch menu and a revamped clam bake option. Customized menus for weddings and parties are available, supplying planners with any desired dish.

Also on the menu are new and innovative teambuilding activities to accommodate any size group. Attendees can head to a local art studio for a session with a talented local artist. Following the session, the attendees will break into groups and create their own masterpieces. Once completed the pieces can be displayed and judged by the artist at an event function or even auctioned off to benefit the group's charity of choice. Those wanting to take to the stage can head next door to the Sugden Theater where they will be met by an actor from the Naples City Improv. The group will be divided into teams where they will receive a script and some props. Then, the curtain will rise and each team will perform for the other groups. Additional teambuilding options include a treasure hunt at the Naples Zoo and fishing excursions.
