## **In-House Spa Delivers Zen on Fifth**

NAPLES, Fla. – Located on the third floor of the Inn on Fifth, the Spa on Fifth offers an extravagant experience guests cherish. With the finest all-natural products, an enticing selection of herbal treatments, highly-skilled staff, and a tranquil atmosphere, the Spa on Fifth soothes the body, relaxes the mind and stimulates the senses.

Inspired by Naples-based Jinx McDonald Designs, and infused with Feng Shui elements, the spa's award-winning ambiance incorporates Asian influences with tropical accents, creating a unique "East meets West" atmosphere. Spa treatments such as Fire and Earth Deep Tissue Massage, and Raindrop Therapy focus on the five elements and harmonize the body's positive yang and negative yin energy. Facials at the spa use Premier products from the Dead Sea, providing guests with the same natural wonders offered to Cleopatra.

Treatments at the Spa on Fifth range from the traditional to the truly unique. Options include the Thai Harmonizing Acne Facial, Anti-Aging Miracle Facial, and Swedish Zen Massage. Gentlemen tend to enjoy the Aromatherapy Renewal Facial with hand and foot reflexology, which releases pressure and stress within the body and improves blood flow. The Spa on Fifth also has a variety of Vinotherapy treatments that utilize grape seed and wine-making grape extracts and oils. Treatments include Vino Radiance Exfoliating Facial, Pinot Noir Vinotherapy Detoxing Wrap, and Vinotherapy Body Scrub. The spa tailors its services to the individual needs of each client, with wholesome botanicals and therapeutic-grade essential oils. Guests enjoy their lavish treatments in single or couples' treatment rooms, with access to men's and women's changing lounges, and sauna and steam rooms. Guests of the Inn on Fifth can use the sauna and steam rooms free of charge.

The Spa on Fifth's couples' massage room provides a private setting for dual treatments. Although primarily used for romantic couples' massages, the area has been utilized by mothers and daughters for quality time, and girlfriends looking for a relaxing and rejuvenating escape.

Spa guests are provided personal assistance by the Spa Manager and Concierge, who can offer suggestions for activities, dining and more in Naples. The concierge will even make reservations upon request. Hotel and spa guests also have access to the Inn on Fifth's 24-hour, state-of-the-art fitness center, fully equipped with Nautilus Nitro Pro equipment, the TrueStretch multipurpose stretching program, treadmills, free weights, elliptical machines, and flat screen TVs.
