SAVAGE SCALP MASSAGE *Our signature treatment*

60 minutes	\$120

Designed for both the clean shaven and beautifully bald, this stimulating scalp massage caters to our smoothest customers. This luxurious experience stimulates nerve endings and increases blood flow to release tension, and exfoliates, hydrates and moisturizes the scalp to enhance youthful vigor so you leave looking and feeling your best, with head held high. We will follow this with a full back exfoliation of dry skin and a full back massage using essential oils that will revitalize your cells.
