

Dining Inn

Naples is known for its exciting and growing culinary scene and the Inn on Fifth and Club Level Suites offers two of the area's most popular upscale restaurants under one roof. Located on the ground level, this tantalizing team includes the newly opened high energy **Ocean Prime Naples** and **Truluck's Seafood, Steak and Crab House**, giving guests quick and easy access to their choice of distinctive dining experiences.

Ocean Prime

Opened in December 2016, Ocean Prime Naples is an award-winning modern American restaurant and lounge from renowned restaurateur Cameron Mitchell. Just outside the Inn on Fifth's entrance, Ocean Prime opens its doors directly onto Fifth Avenue, offering diners a front row seat to the bustling streetscape and Sugden Plaza. Ocean Prime's menu specializes in pairing fresh seafood and prime steaks with delectable sushi, appetizers, and desserts. The menu features classic dishes crafted with a modern sensibility and an appreciation for ingredients.

With lighter fare, like a shellfish cobb salad and sushi, as well as more indulgent items like a smoking shellfish tower, juicy steaks and decadent desserts, Ocean Prime has something for every occasion. Standout menu items include the Prime Roll – tempura shrimp, cream cheese, scallion, and beef carpaccio; Alaska Halibut, with lobster ravioli, asparagus and sweet corn emulsion; Blackened Snapper with corn spoon break and jalapeno tartar; Black Truffle Mac and Cheese; and the famous Ten-Layer Carrot Cake with cream cheese icing and pineapple syrup.

A stunning setting and vibrant energy – along with an impressive menu, signature cocktails, Wine Spectator-honored wine list and exceptional service – come together to make Ocean Prime an extraordinary dining destination. Dramatically designed, the restaurant is a fun and glamorous social hub, with happy hour from 4 to 7 p.m. Ocean Prime is open for lunch from 11:30 a.m. to 4 p.m. daily. Dinner hours are 5 to 11 p.m. Monday through Thursday; 5 p.m. to midnight on Friday and Saturday; and 5 to 10 p.m. on Sunday. Truluck's Seafood, Steak & Crab House

One of Naples' most well-established and popular restaurants, Truluck's Seafood, Steak & Crab House is adjacent to Ocean Prime, with access from Sugden Plaza and Fourth Avenue South. The semi-casual, yet cosmopolitan restaurant opens at 5 p.m. for dinner, seven nights a week. This was the first Florida venture for Truluck's, which now has six restaurants in Texas, one in California, and three others in

the Sunshine State. Serious about stone crabs, Truluck's owns their own stone crab fishery on the Isle of Capri, just 18 miles south of the restaurant. They harvest some of the freshest and highest quality stone crabs in the world, ensuring patrons an amazing dining experience. During stone crab season (October 15 through May 14) fans of the delicacy enjoy all-you-can-eat stone crabs on Monday nights. Be sure to make reservations!

Delightful varieties of innovative appetizers are available, with choices ranging from the Pecan-Crusted Goat Cheese cake to Hot and Crunchy Shrimp over Mango Aioli. An assortment of extravagant desserts is homemade daily, including Chocolate Malt Cake, Truluck's Chocolate Sack and a "to-die-for" Carrot Cake.

The menu showcases always fresh, 100 percent guaranteed stone crab and amazingly prepared fresh seafood done with a non-traditional twist. Tender, juicy, thick-cut steaks are seasoned and grilled to perfection. Truluck's offers a daily fresh shell stock selection of fresh Florida stone crab from their fisheries, fresh North Atlantic Jonah crab, fresh Pacific Northwest Dungeness crab, fresh Alaskan Red King crab, fresh Australian Spanner crab and oysters from around the world. Each week the chef updates the menu with the freshest seafood available from the Atlantic and Gulf coasts of Florida, which is then prepared in cooking styles from around the globe.

Truluck's features more than 100 wines by the glass, priced to sell as they encourage customers to try new and exciting wines that pair well with their menu selections. In addition to the wines by the glass, Truluck's offers flights, a reserve wine list, and daily features.

Truluck's exudes a stylish ambiance with its outstanding service, warm mahogany wood and hardwood floors. The sound of piano music fills the air and combines with the décor to give the restaurant a timeless, classic feel. Diners may choose to eat inside in the dining or lounge area, or out on the covered patio.
