NAPLES, Fla. (February 22, 2017) – Forbes Travel Guide today unveiled its annual Star Rating list, awarding the Inn on Fifth & Club Level Suites a Four-Star designation for the third consecutive year. Located on the renowned Fifth Avenue South in downtown Naples, the luxurious Inn on Fifth Club Level joins the Ritz-Carlton Golf Resort, Naples as one of only two Four-Star Hotels in Naples and one of just 23 in Florida showcased on [ForbesTravelGuide.com](http://ForbesTravelGuide.com).

As countless loyal guests will attest, no place captures the sophisticated Naples experience quite like the Inn on Fifth & Club Level Suites. With its enviable Fifth Avenue location and stylish ambiance, the hotel offers an exquisite setting for a luxurious stay in the heart of Old Naples. Truluck's Seafood, Steak and Crab House and the new Ocean Prime, which are both located at the Inn, are the crown jewels of Naples' fine dining scene. The Inn's expansive Club Level Suites, ranging from 550 to 1,160 square feet, offer access to an elevated standard of services, including a private check-in and dedicated concierge, and exclusive amenities. Guests have access to continental breakfast, a selection of gourmet snacks throughout the day and evening cocktails, appetizers, and desserts. Club Level guests also have access to champagne anytime, day or night. Club Level includes a private rooftop sundeck and whirlpool spa for luxurious relaxation. Valet parking is complimentary, and Tesla Model X SUV or Cadillac Escalade chauffeured service allows guests to get around the downtown Naples area with ease.

"It's an honor to receive the Forbes Four-Star Rating, a clear statement to our guests about the Inn's remarkable attention to detail, superior accommodations and commitment to exceptional hospitality," said Phil McCabe, owner of The Inn on Fifth. "We've created a new standard of luxury on Naples' famed Fifth Avenue, and remain dedicated to delivering the highest standard of service to our valued guests."

Excellence in service is the hallmark of all Forbes-rated hotels. Forbes imposes very exacting standards which must be adhered to consistently and precisely. According to McCabe, the Inn on Fifth adopted the stringent Forbes standards of excellence in service as their own, using the Forbes guide to train their staff in all departments. As a result, this is the third consecutive year the Inn on Fifth & Club Level Suites has received a coveted Four-Star rating from Forbes Travel Guide, the gold standard in the hospitality industry since 1958.

"We are delighted to recognize the 2017 Star Rating recipients, an exceptional collection of hotels, restaurants and spas that demonstrates a strong culture of service," said Gerard J. Inzerillo, Chief Executive Officer of Forbes Travel Guide.

“In an online environment of confusion and clutter, Forbes Travel Guide is the most trusted source of information to assist guests in making informed decisions,” Inzerillo said. “These properties, the largest and most global group in the company’s history, achieve an impeccable standard of excellence in hospitality, underscoring our overall mission of positively contributing to the international tourism industry as well as individual hotel experience. We are proud to congratulate everyone associated with the prestigious properties recognized today.”
